Origin	European
Hide Type	Cowshoulders
Average Hide Size	1.35 sqm (15.0 sqft)
Average Largest Cut Size	800mm vertical 1200mm horizontal
Thickness	1.8 - 2.0mm
Weight	160gms / sqft
Grain	Full Grain
Texture	Distressed
Tannage	Vegetable
Dye	Aniline
Finish	Wax pull up distressed
Industry	Residential, Hospitality
Maintenance	Storm is a vegetable-tanned cow-shoulder leather richly infused with oils and waxes during processing to enhance colour depth and create a classic pull-up effect. As the oils and waxes shift with bending and wear, the leather lightens in places and develops a beautiful vintage patina — this evolving character is what makes it truly special. Dust off and apply carnauba cream and polishing will keep this leather fresh.
