<b>Hide Type</b>	Buffalo - Butt part
<b>Average Hide Size</b>	1.0 sqm (11.0 sqft)
<b>Average Largest Cut Size</b>	600mm vertical   1100mm horizontal
<b>Thickness</b>	3.6 – 3.8mm
<b>Weight</b>	320gms / sqft
<b>Grain</b>	Full Grain
<b>Texture</b>	Distressed
<b>Tannage</b>	Vegetable + Chrome
<b>Dye</b>	Aniline
<b>Finish</b>	Wax pull up distressed
<b>Industry</b>	Residential, Hospitality
<b>Maintenance</b>	Hunter is a vegetable and chrome combination tanned cow side leather richly infused with waxes during processing to create a marbled distressed effect. As waxes shift with bending and wear, the leather lightens in places and develops a beautiful vintage patina — this evolving character is what makes it truly special. Dust off and apply carnauba cream and polishing will keep this leather fresh.
